Taking Flight: From War Orphan to Star Ballerina By Michaela DePrince, Elaine DePrince

The extraordinary memoir of an orphan who danced her way from war-torn Sierra Leone to ballet stardom, most recently appearing in Beyonce’s *Lemonade* and as a principal in a major American dance company.

"Michaela is nothing short of a miracle, born to be a ballerina. For every young brown, yellow, and purple dancer, she is an inspiration!" —Misty Copeland, world-renowned ballet dancer

Michaela DePrince was known as girl Number 27 at the orphanage, where she was abandoned at a young age and tormented as a “devil child” for a skin condition that makes her skin appear spotted. But it was at the orphanage that Michaela would find a picture of a beautiful ballerina en pointe that would help change the course of her life.

At the age of four, Michaela was adopted by an American family, who encouraged her love of dancing and enrolled her in classes. She went on to study at the Jacqueline Kennedy Onassis School at the American Ballet Theatre and is now the youngest principal dancer with the Dance Theatre of Harlem. She has appeared in the ballet documentary *First Position*, as well as on *Dancing with the Stars*, *Good Morning America*, and *Nightline*.

In this engaging, moving, and unforgettable memoir, Michaela shares her dramatic journey from an orphan in West Africa to becoming one of ballet’s most exciting rising stars.

“A story of great courage that all women—young and old—should read.” —Tina Brown

Editorial Review

From School Library Journal

Gr 6 Up—In this moving memoir, DePrince, who in 1995 was born in war-torn Sierra Leone but went on to become an acclaimed professional ballerina, tells her story. Her struggles started early: it was discovered that she had vitiligo, a medical condition that results in blotchy, irregular patches of skin, and her biological parents both died when she was only three. DePrince was sold to an orphanage, where she was starved and abused and where she witnessed the brutal murder of her pregnant teacher, a memory that would forever haunt her. After the orphanage was bombed, DePrince and the other orphans fled to a refugee camp. When she was four years old, she and her best friend, Mia, were adopted by the same family and taken to live in the United States. Just before leaving, DePrince found a magazine photograph of a ballerina, and her dream of becoming a dancer was born. Her supportive family did everything they could to help her attain her goal, but the girl still encountered challenges, including prejudice from those who believed African American dancers to be less suited for the craft ("Black girls just shouldn't be dancing ballet. They're too athletic. They should leave the classical ballet to white girls."). However, she persevered and succeeded, becoming the youngest principal dancer for the Dance Theatre of Harlem and joining the Dutch National Ballet. Though the text is accessible and engaging, there are events that are glossed over or not fully fleshed out, such as details of her adopted sister's medical problems. Overall, though, DePrince is an inspiring narrator, wise beyond her years. An uplifting story about overcoming the odds.—Stephanie Farnlacher, Trace Crossings Elementary School, Hoover, AL

Review

"There is plenty of ballet detail for dance lovers to revel in, and the authors achieve a believable, distinctive teenage voice with a nice touch of lyrical description." ---Publishers Weekly Starred Review
