Editorial Review

From Library Journal

The work known as The Federalist was initially published as newspaper installments throughout 1787 and 1788. The "Gideon" edition was published in 1818 and includes corrections to earlier editions by James Madison and Hamilton. This version includes those texts plus a new introduction, notes, a glossary, and the complete Articles of Confederation, Declaration of Independence, and U.S. Constitution with cross references. A high-quality, scholarly edition for a great price.

Review

"A high-quality, scholarly edition for a great price."

From the Publisher

Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.

Users Review

From reader reviews:

Johnny Mosier:

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite reserve and reading a publication.
