Wild Kisses (3:AM Kisses) (Volume 7) By Addison Moore

Piper thinks Owen Vincent is a tool. Once they finish up with their internship she never wants to see him again.

From the **NEW YORK TIMES** and **USA TODAY** bestselling author, **Addison Moore ...Cosmopolitan Magazine** calls Addison's books, "...easy, frothy fun!"

Piper James' first year at Whitney Briggs is starting off great, new friends, a potential sorority, and plenty of guys to choose from. Once she secures a spot in Alpha Chi, she'll have the greatest freshman year on record. But it just takes one look at the Alpha Chi "hit list" of things she needs to do to get in and she know there's trouble--and trouble's name is Owen Vincent.

Taming a player sounds impossible. Owen is the only player she knows and he certainly fits the bill, cocky, too many notches to count on his bedpost, and an aversion to relationships. Making Owen believe she wants him is pretty low, even if this entire fling is just a means to an end. But now she can't stop thinking about him.

Yeah, he thinks he's God's gift to women, but now a part of her is kind of starting to agree. Girls are still dripping all over him like honey. Piper thinks there's no way he'd be interested in a commitment with her. Maybe Alpha Chi isn't what she wants. Maybe it's Owen? It's a brand new year at Whitney Briggs and things are about to get wild.
