## God, Please Fix Me! A Breakthrough in Self-esteem, Relationship Understanding and Personal Healing for Women By Nancy Nichols

A profound paradigm shift for women who suffer with low self-esteem issues, who lack confidence and relationship understanding, and who struggle with the damaging effects of a hurtful, dysfunctional past.

Understanding the dynamics which keep a woman bound to her hurtful past is the first step to personal healing. Based on a compelling true story, God Please Fix Me! evokes healing for women who suffer with low self-esteem issues, who lack confidence and relationship understanding, and who are affected by a painful upbringing or difficult past.

- What if you could silence your critical inner voice?
- What if your intuition helped you to make sound decisions in all that that you do?
- What if you could stand up to a man's deceptive, demeaning, controlling behavior without fear of his anger or rejection?
- What if you could regain the confidence and self-esteem you lost in a toxic relationship?
- What if you enjoyed personal security and genuine happiness?

Nancy Nichols spent a lifetime seeking the answers to her low self-esteem issues and relationship problems. Her firsthand knowledge of divorce, relationship failures and heartbreak gained her unique introspect into women's faulty mindsets which prompt their toxic behavior and damage their relationships. Nancy shares the illuminating revelations that opened her eyes to her distorted self-beliefs and helped her triumph over a lifetime of self-doubt, fear and shame, dysfunctional behavior and addictions, break the cycle of an abusive relationship, and silence her self-deprecating inner voice - forever. Nancy's wit is enchanting. Her uncensored candor is riveting. Her brutal transparency empowers women to overcome the mental stigma of their hurtful past, take charge of their lives and realize relationship stability and personal happiness. God, Please Fix Me! is for single, divorced, widowed, and married women of all ages who seek personal

growth.
