Editorial Review

From the Back Cover

Give your communication a confidence boost

When you're with other people do you open up or clam up? Are you a conversation starter or a shrinking violet?

Feeling nervous about talking to other people is completely normal, but it's important not to let fears about what people might think of you, or what to say first, stop you from starting one in the first place.

Being a confident communicator creates success and happiness

Every conversation could be the start of something new; a new career, a new business idea or a new friendship. When you clam up in public, you close off all of those opportunities as if they never existed. *How to Talk to Absolutely Anyone* will help you see conversation differently; as an enjoyable, positive activity that might just change your life.

Learn how to:

- Be confident with people you don't know
- Overcome common fears and barriers about talking to others
- Make a connection and build rapport
- Communicate better in business and social situations
- Be more effective at networking
- Win more business and sales

All the tools you need to help you talk, listen and build rapport with absolutely anyone are here. Start communicating more confidently today and increase your chances of getting the outcomes you're looking for, more often.

Review

At the very least readers will be challenged to think about the effect of the words they use, and at the most, less confident people will take away some inspiring tips on how to start chatting to strangers, how to use them as guinea pigs for practice and how this approach will help them communicate better, build confidence and get better outcomes. (B2B Marketing, 27th August) This book is a bible for anyone who needs help with their communication skills and confidence. (Talk Business, September 2013)
