Omega For The Dragon Prince (M/M Gay MPreg Shifter Romance) By TJ Cross

A royal heir for a royal dragon...

Rolf:

Being a **dragon prince** isn't easy and neither is knowing my days are numbered unless I **find a mate to carry my child**.

I thought I'd accepted my fate, but something shifted in me when Sawyer Arlington showed up at the charity auction.

He may be a **human** but there's no denying this **bond** we have is real.

Now I have to prove myself to him and fast — I need him to **further my royal dragon bloodline**.

Sawyer:

Life hadn't been going well for me lately, even worse I'd resorted to **auctioning myself off for dates** in attempt to make my rent on time.

For some reason dragon prince Rolf Abrams wanted to buy me, and I'm glad he did because there's no denying **his sex appeal and charms** don't work on me.

But I know **he has a secret**, and even worse is that I can't help sticking by him even though I know **his world is dangerous**.

Anything he wants, I'll do it, I'm his now.

Omega for the Dragon Prince is a steamy M/M paranormal novella involving MPreg themes and a soul-bond between a dragon royal and his sweet human mate. This is a standalone book with no cliffhanger and a HEA including a satisfying epilogue.

Natalia Burton:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Omega For The Dragon Prince (M/M Gay MPreg Shifter Romance) can make you sense more interested to read.
