Editorial Review

From Publishers Weekly

Even in the world of athletic superstars, Sanders (aka "Neon Deion" and "Prime Time") is exceptional, supremely gifted in two sports: he is, for instance, the only man ever to hit a home run in the National League and score an NFL touchdown in the same week. His autobiography find a sympathetic audience not only among sports fans, however, but among conservative Christians who can't tell a punt from a bunt. Religion has played a large role in Sanders's life recently. He plans to enter the ministry after his sports career, and his faith has enabled him to express affection for his father, a drug addict who deserted the family when Sanders was seven and living in Fort Myers, Fla., and for his stepfather, an alcoholic. Readers may feel less inclined to forgive, but all will agree that his mother was a tower of strength. Sanders was a sports star in high school and college before turning pro. His success quickly brought the eponymous power, money and sex, but Deion found life empty, and his marriage a failure. He was saved?in the religious sense?by the efforts of two clergymen, including Bishop Jakes of Dallas, and now feels that his life is fulfilling. Sanders stumbles when expounding on his religious notions, which are sprinkled with awkward homilies ("the devil don't waste time offering you stuff you don't want"). They also reflect conservative principles that some readers won't share. It's Sanders's fast-paced account of his struggle to navigate the hazards of a life in the limelight, not his prosyletizing, that give this book the indelible stamp of Neon Deion.

From [Booklist](#)

Sanders is the flamboyant Dallas Cowboy defensive back who also had a successful major-league baseball career. Ultimately dissatisfied with his fast-track life, Sanders writes about his pain and the relief he subsequently found when he accepted Christ. Other Christians will recognize Sanders' personal crises as a common precursor to religious conversion and will strongly identify with him. For readers looking for more than an account of personal spiritual redemption, Sanders supplies plenty of details about his upbringing and his career as one of the most recognizable and successful athletes of his time. The book might reach wider audience if it were less segmented. As it is, the first half is about Sanders' sports career, the second about his faith and the comfort it has brought him. Sports fans may abandon the book when the message arrives; nonfans may give up before they get there. On balance, Sanders does a surprisingly low-key job in presenting his life and faith, despite an admittedly misleading, bait-and-switch title. *Wes Lukowsky*

From the Back Cover

It's a story as old as time, a nightmare as shocking as tomorrow's headlines: A talented young athlete rockets to fame and fortune, becoming the highest paid player in football history. But what he finds when he reaches the pinnacle of success is not the glory he had expected.

This is Deion's story, in his own words, with all the drama, hope, glamour, and surprise of his true-life adventures. For the first time ever, Deion tells the story of his rise to fame, his attempted suicide, and the shocking events that led him to faith in God and a new vision and purposes for his life.

Users Review

From reader reviews:

Kim Bartlett:

What do you think about book? It is just for students because they are still students or this for all people in

the world, what the best subject for that? Simply you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great and important the book Power, Money and Sex. All type of book could you see on many options. You can look for the internet options or other social media.

Andre Roop:

As people who live in the modest era should be revise about what going on or details even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Power, Money and Sex is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Robert Holt:

Spent a free time and energy to be fun activity to complete! A lot of people spent their sparetime with their family, or their friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could possibly be reading a book may be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try look for book, may be the e-book untitled Power, Money and Sex can be great book to read. May be it is usually best activity to you.

Helen Albertson:

Some individuals said that they feel bored stiff when they reading a guide. They are directly felt it when they get a half parts of the book. You can choose the particular book Power, Money and Sex to make your own reading is interesting. Your skill of reading ability is developing when you like reading. Try to choose straightforward book to make you enjoy to study it and mingle the impression about book and looking at especially. It is to be first opinion for you to like to wide open a book and learn it. Beside that the guide Power, Money and Sex can to be your friend when you're truly feel alone and confuse in what must you're doing of the time.
