**Tempting the New Boss (Sleeping with the Enemy)** By Angela Claire

**A sexy category romance from Entangled's Brazen imprint...**

*Sometimes you have to break the rules...*

When Camilla Anderson loses her job just as a position at Talbot Inc. opens up, there's no way she's questioning the lucky break. Working for the quirky, reclusive CEO will pay off her student loans within a year, and they're flying to Europe in his private jet.

Mason Talbot isn't good at talking to women. Well, to anyone, really. But when his new lawyer boards his plane, biology kicks in. But he can't tell if her adverse reaction is to him or his painfully awkward attempts at flirting.

As the flight gets bumpier, Mr. High IQ gets calmer. And...he holds her hand? Maybe the guy is redeemable after all. As soon as they land, she'll have to teach her endearingly awkward new boss how to seduce a girl properly.

That is, if they don't die in a fiery plane crash first.
