The Forest and the Trees: Sociology as Life, Practice, and Promise By Allan Johnson

New Third Edition!

If sociology could teach everyone just one thing, what would it be? *The Forest and the Trees* is one sociologist's response to the hypothetical—the core insight with the greatest potential to change how people see the world and themselves in relation to it.

This Third Edition features:

- * Updated key references, data, resources, and examples, from global warming, Obama's election, and gay marriage to transgender/cisgender and the Occupy Movement
- * A glossary of terms
- * The short essays in Chapter 6, framed around the power of sociology, dig beneath easy and popular understandings to reveal what lies beneath
- * An additional analysis of how men's violence is made invisible even though most violence is perpetrated by men
- * Chapter 7's focus on sociology as a worldview with an analysis of the origins of white privilege

Editorial Review

Review

"Johnson's discussion is masterful." --Choice

"An inspiring resource. I highly recommend this book." --The Canadian Review of Sociology and Anthropology

From the Publisher

A thought-provoking and passionate account of why sociology matters that will engage and inspire students and teachers

From the Inside Flap

"My most frequent margin notes in this book were 'great' and 'cool,' and I wrote them often. Not only does Johnson present the sociological perspective in a smoothly written, easily digestible form, he also makes surprising turns and gently leads the reader into some interesting implications of otherwise familiar arguments.... His examples shine.... Johnson's impressive ability to take the familiar and give it a twist, or to find intellectual surprises in the midst of conventional wisdom. For the students who will read this book, these bonus ideas give sociology its intellectual justification.... Repeatedly, Johnson explains tricky ideas simply.... He respects his readers, talking in terms they will understand while always pushing them intellectually to take one more step."--Daniel F. Chambliss, *Contemporary Sociology*

From reader reviews:

James Jackson:

What do you consider book? It is just for students because they are still students or it for all people in the world, the particular best subject for that? Just you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't would like do that. You must know how great along with important the book *The Forest and the Trees: Sociology as Life, Practice, and Promise*. All type of book can you see on many options. You can look for the internet sources or other social media.

Stephanie Bush:

Playing with family in a very park, coming to see the sea world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love *The Forest and the Trees: Sociology as Life, Practice, and Promise*, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't buy it, oh come on its referred to as reading friends.

Lorraine Paisley:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Forest and the Trees: Sociology as Life, Practice, and Promise can make you truly feel more interested to read.

Ronald Malone:

What is your hobby? Have you heard that question when you got scholars? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person just like reading or as examining become their hobby. You have to know that reading is very important along with book as to be the thing. Book is important thing to add you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you choose to adopt be your object. One of them is this The Forest and the Trees: Sociology as Life, Practice, and Promise.
