The Great American Bathroom Book, Volume 1 From Scarab Book Limited (Compact Classics)

Great gift idea. The other 'Great American Bathroom Books' by Compact Classics are out of print. Volume 1 has sold over one million copies. This edition replaces the prior Volume 1. 608 pages; bright white hardcover with fiery red foil logo; contains nearly 120 two-page summaries of the world's great books, including literary classics, modern novels, biographies, the best of business and personal success, etc., etc. Also features categorized sections of "Trivia to Learn By" and "Quotes & Anecdotes" to both challenge and inspire. A great gift for yourself or a friend. Perfect for the person that has it all but does not (yet) know it all.

Editorial Review

From the Publisher

"Read this! ." That's what you tell him the next time he snatches up his Sports Illustrated and retreats to his private haven, the smallest room in the house. Then you sit back and watch the makeover unfold. In an effort to lend him a greater air of sophistication, you've discreetly placed a copy of an amazing book titled 'The Great American Bathroom Book, Volume 1' next to the commode. And before hubby can think to ask where it came from, he'll already have dipped into several two-page summaries of classic works that make up the bulk of the bulky book, skimmed a brief biography of one of its featured history-makers, glanced through a page or two of its 'Trivia To Learn By' library and soaked up a few of its witty and wise quotes and anecdotes. In short, he'll be both enthroned and enthralled.

And when he finally emerges from his porcelain library, his mind crammed with facts and ideas - fully flushed with literacy, if you will - he'll immediately want to impress you with his newfound knowledge of books, of people, of business, of the world. . . . Yes, believe it or not, he may actually sit down and talk to you!

Once again 'The Great American Bathroom Book, Volume 1' has come to the rescue. Think all literary tomes have to be stuffy and longwinded? Despite the preachings of your snobbish, ivory-tower intellect brother-in-law, you aren't required before you die to perform a cover-to-cover study of every drawn-out text the world has produced. In this day and age, who has the time and patience - or ideal setting, for that matter - to do so?

With its array of non-stuffy, non-longwinded literary distillations, your man can dip in and out of this book at a whim, picking up easily-absorbed book-learning and snippets of knowledge without feeling as if he's drowning in information. And, over time, as the transformation takes full effect, GABB may even find its way into your bedroom (not a bad thing at all!) or be smuggled into his workplace to crack open during breaks. Within mere months, these condensed, crash-course, water-cooler renderings could even earn him the title of designated office genius.

Sitters and thinkers will be impressed by the edition's smart-looking softcover wrapped around a whopping 608 literacy-filled pages; combined, the book exudes a timeless, classic elegance. "Read this, honey . . ." For the person who has it all but doesn't (yet) know it all, it's a classical education at a fraction of the cost and time. 'The Great American Bathroom Book Volume 1' is transforming the world - one husband at a time.

From the Back Cover

The Great American Bathroom Book, Volume 1 For the person who has it all but doesn't (yet) know it all.

Six hundred pages of comprehensive two-page book summaries, topical overviews, and vital information. A crash course in fine literature, an entire library of condensed material. Biographies featuring history's most influential leaders, geniuses, scientists, healers, artists, and inventors. Distillations of the world's greatest classic and modern works: 'To Kill a Mockingbird' 'The Merchant of Venice', 'Lord of the Flies,' 'The Joy Luck Club', 'Jane Eyre', 'Death of a Salesman,'.....Sections of 'Trivia to Learn by' (Science, Literature,, Music, Sports...)and 'Quotes and Anecdotes' that challenge and inspire. A valuable blend of books and commentary spotlighting business and leadership, health and fitness, communications and relationships. The only question is-Will you have time to read it ALL in the Bathroom?

Users Review

From reader reviews:

Joseph Wilson:

Spent a free a chance to be fun activity to complete! A lot of people spent their leisure time with their family, or their friends. Usually they performing activity like watching television, about to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? May be reading a book can be option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try out look for book, may be the e-book untitled The Great American Bathroom Book, Volume 1 can be good book to read. May be it is usually best activity to you.

Valerie Bell:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Great American Bathroom Book, Volume 1, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout folks. What? Still don't have it, oh come on its named reading friends.

Joseph Moody:

Do you have something that you prefer such as book? The guide lovers usually prefer to opt for book like comic, quick story and the biggest one is novel. Now, why not trying The Great American Bathroom Book, Volume 1 that give your fun preference will be satisfied by means of reading this book. Reading addiction all over the world can be said as the opportunity for people to know world much better then how they react toward the world. It can't be explained constantly that reading behavior only for the geeky particular person but for all of you who wants to end up being success person. So , for every you who want to start looking at as your good habit, you can pick The Great American Bathroom Book, Volume 1 become your starter.

Paul Lopez:

This The Great American Bathroom Book, Volume 1 is great book for you because the content which can be full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it info accurately using great organize word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having The Great American Bathroom Book, Volume 1 in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen moment right but this guide already do that. So , this can be good reading book. Hello Mr. and Mrs. occupied do you still doubt that?
