**A Modern Exposition 1689 Baptist Confession of Faith** By Samuel E Waldron

In this extensive exposition of the 1689 Baptist Confession of Faith, Sam Waldron shows that this work is a masterly statement of the historic Christian faith. His direct and lucid style will help ministers, students and laymen alike to a clear understanding of the Confession and to see its relevance and application to our modern age.

Modern Christianity is awash in a flood of doctrinal relativity. Satan and his forces love the imprecision and ambiguity which are rampant in our day. As C. H. Spurgeon observed, 'The arch-enemy of truth has invited us to level our walls and take away our fenced cities'.

This exposition was originally published in 1989 to mark the 300th anniversary of the publication of the Second London Confession, which also became known as the 1689 Baptist Confession of Faith. Today, reformed Baptists world-wide hold this Confession in high esteem and many churches continue to regard it as their official statement of faith.

Included in this publication is a helpful introduction on the legitimacy and use of confessions by Dr R. P. Martin, currently Pastor of Emmanuel Reformed Baptist Church in Seattle, Washington.
