## 1000: The Levels of Consciousness and a Map of the Stages of Awakening for Spiritual Seekers and Teachers By Ramaji

"1000" is the complete guide to LOCs (Levels of Consciousness) and the revolutionary new Map of Awakening. It answers the common question "How can I tell if a teacher is enlightened?" A list of the LOCs of more than 200 contemporary non-duality and Advaita teachers is included in the text. Curious about how enlightened Gangaji or Mooji or Byron Katie or Jeff Foster are? Now you can find out. It's all answered by their LOCs. Ramaji also provides a list of LOCs for more than 101 famous spiritual personalities such as Jesus, Buddha, Papaji, Osho, Pope Francis and Mother Theresa. 1000 explains how to evaluate teachers by knowing what stage of enlightenment they are at. It accounts for the misconduct of teachers who otherwise appear to be enlightened persons. "1000" is a unique breakthrough book that explains in simple terms the complete spiritual path from beginning to end. Students of meditation, prayer, enlightenment, non-duality, Advaita, yoga, Eastern religion and other spiritual disciplines will find it most illuminating. Serious students of Self-inquiry and Ramana Maharshi will find Ramaji's revelatory experiences of Amrita Nadi and starving the I-thought illuminating. Dedicated devotees of Nisargadatta Maharaj and "I Am That" will enjoy new insights into Nisargadatta's distinction between Brahman ("universal consciousness") and Parabrahman ("the Absolute"). Entries from Ramaji's spiritual journals highlight the book. Ramaji never intended for his private diaries to be made public. In order to make "1000" as helpful and powerful as possible, he decided to leave no secrets hidden. All is exposed in the hope that it might help to clear up confusion for the earnest sincere seeker or established spiritual teacher. Ramaji has been able to assist many seekers via his RASA transmission in support of non-dual awakening. He documents some of the RASA recipients who have stabilized in non-duality and successfully attained enlightenment after receiving RASA in person or via Skype. He also shares reports from happy recipients of the gentle Grace that flows down from Divine Mother during the effortless RASA Grace transmission experience. Ramaji gives an overview of the lower levels of consciousness (LOC 30 through LOC 499). He explains the emergence of pure spirituality (as opposed to conventional religion) at LOC 500 through LOC 559. He describes advanced seeker stages (LOC 560 through LOC 589) ready to leap into non-duality. Ramaji covers the

non-dual stages in considerable depth. The new non-dual sage goes from local space spontaneity (LOC 600s) to cosmic or universal consciousness (LOC 700s) to divine unknowing (LOC 800s) to, for a few, the hesitant hermit (LOC 900s). Then the sage arrives at and stabilizes in the Self or Absolute (LOC 1000). Ramaji offers case studies, quotes and in-depth research to show how each major non-dual stage is different from the others. He does all he can to describe the nature and experience of the Absolute, helped by quotes from Meister Eckhart, Francis Lucille and Karl Renz. There has never been a book like "1000" before. If you are on the spiritual path in any way, this is a book that you simply cannot be without. Ramaji also points you to his website where you can listen for free to high-energy music he has programmed to support your enlightenment. The complete Map of Awakening with Levels of Consciousness and a condensed Map are included. Complementing the Map of Awakening are studies of 7 traditional spiritual maps of awakening: the Seven Valleys of Sufism, the Five Ranks of Tozan, the 10 Zen Oxherding Pictures, Patanjali's Yoga Sutras, Stages of Advaita Vedanta, the Major Arcana of the Tarot and the Hero's Journey. "1000" is an unusually spirited, fiercely candid and passionately comprehensive major work. One of Ramaji's students jokingly referred to "1000" as the "Bible 2.0." You may not agree, but one thing is for sure. You cannot afford to be without YOUR copy of "1000" by Ramaji!

### **Editorial Review**

#### About the Author

Ramaji teaches Advaita and non-duality in San Diego, California. There is a monthly Satsang meeting in the area organized via Meetup.com. Ramaji is the author of "1000," a groundbreaking guide to the path of enlightenment and the levels of consciousness from the lowest to the highest. RAMAJI'S MAP OF AWAKENING FROM "1000" CAN BE DOWNLOADED FOR FREE FROM THE BOOKS PAGE AT RAMAJI.ORG. He also offers a powerful unique spiritual transmission called RASA. The easiest way to reach him is via his web site Ramaji.org. Ramaji works with students all over the world via email and Skype. He has students in Australia, United Kingdom, Scotland, Hong Kong, Singapore, Japan, Russia, Turkey, India, Canada and the United States. The RASA transmission in support of non-dual awakening includes a one hour consultation where you can ask any questions that you want. After you have a Skype RASA session with Ramaji, you have unlimited access to him via email. RASA (Ramaji Advaita Shaktipat Attunement) delivers the Grace of Divine Mother for rapid spiritual awakening. Although this Grace or Blessing has the power to quickly raise your level of consciousness, it is very gentle. Some people have shifted into enlightenment (abiding in non-duality) immediately after receiving RASA. Ramaji is also the author of "The Spiritual Heart." It explains the path of Self-inquiry meditation for the Western seeker and goes into depth about the I-thought, the Heart on the right, Kundalini and other important factors that Ramana Maharshi talked about but rarely get discussed in the modern non-duality scene. His one of a kind meditation guide called "No Mind No Problem" reveals a new way of dealing with the mind that embraces what is while allowing your natural wholeness and happiness to emerge in a fun friendly effortless way. People tired of repetitive methods will enjoy his approach which encourages the empowering joys of creativity, relaxation and self-discovery. Ramaji also offers free high energy spiritual music at RamajiUnity.com. Attuned to non-dual frequencies, this music is designed to facilitate your enlightenment. The 8 songs that are free to listen to online are available as an mp3 album called "Supreme Self." One of the songs -- "Supreme Self 1000" -- is a musical rendition of the teachings about levels of consciousness (LOCs) found in Ramaji's book "1000."

### **Users Review**

#### **From reader reviews:**

#### **Evelyn Roberts:**

Have you spare time for just a day? What do you do when you have a lot more or little spare time? Yes, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a go walking, shopping, or went to typically the Mall.
