ZEE

I didn't choose this life. I didn't choose my fate. In fact, fate seems to have thing for fucking me over. Leah is just one more thing I didn't choose, and now I'm fighting everything in me not to turn her into the monster I never wanted to be. But we both know what's going to happen in the end, because as always, I have no control.

LEAH

He's wrong and right in the same breath. He's terrible and perfect. Most importantly, he's my savior and my damnation. This world isn't supposed to exist, and I'm not sure if I'm insane or dreaming. Either way, I can't stay away from Zee, even if it means I might lose myself to him completely. Thing is... He's the safest option, because every path is deadlier than the last.
