Brent (Shibari Auction House 9) By Sean Michael

Six months ago, Joel auctioned himself off to the highest bidder for a no holds barred subbing contract. Intrigued, Brent bought the contract and the two began a magical journey of discovery together.

Now that the contract is almost up, will Brent and Joel go their separate ways? Or have they found something together that is far more than either of them could have hoped for?

Praise for Brent

"Brent's solution for dealing with that particular issue is just as wonderful as the way he decides to celebrate their new status. If you liked the first book, 'Joel', and want to know how he and Brent are doing, and if you're looking for some very hot BDSM scenes between two loving men, then you will probably enjoy this short story as much as I did."
