### **Editorial Review**

From the Publisher

"Forensic Psychophysiology Using the Polygraph" is the long awaited bible of scientific truth verification and lie detection. Attorneys, judges, police personnel, probation and parole officers, forensic psychophysiolgists, defendants, litigants, and others involved in the criminal justice system, plus psychologists, researchers, historians, business persons, employers and employees, and various educational institutions, each for their own reasons will find this book singularly comprehensive, authoritative and helpful in understanding and/or utilizing the various polygraph techniques and instruments described therein. At the present time there is no comparable text. In his Foreword to this book, Cleve Backster, a world renowned authority on forensic psychophysiology, stated that this book will be the enduring source within the polygraph profession for many years.

From the Author

This long awaited bible of scientific truth verification and lie detection weighing in at 4 lbs 5 ounces is also available on CD-ROM which works with all platforms (PC, MAC and UNIX) and with most operating systems. This CD-ROM includes a full text search and retrieval product and hyperlink images, plus many colored illustrations and a video introduction by the author. This CD-ROM makes a good companion to the aforementioned textbook.

### **Users Review**

**From reader reviews:**
