Judicial Process in America (Tenth Edition) From CQ Press

Known for shedding light on the link between the courts, public policy, and the political environment, the new ninth edition of Judicial Process in America provides a comprehensive overview of the American judiciary. Considering the courts from every level, the authors thoroughly cover judges, lawyers, litigants, and the variables at play in judicial decision making. This remarkably current revision will only solidify the book's position as the standard-bearer in the field.

Editorial Review

Review

"I am very fond of this text. I have used the various editions for over a decade. It is straightforward and full of good information. The chapters are thorough and present a realistic view of the courts without sensationalizing rare, anomalous events that distract from the true nature of American courts." -- Matthew S. Crow "The students love the text-it is affordable yet covers the material in a logical and understandable way. I love the text too-I have used every edition since the Fifth Edition. Of all the texts I choose year in and year out, this text is a go-to choice for me. It is well positioned to teach the concepts essential to the judicial process and philosophy course." -- Kenneth Frank "I use Judicial Process in America because it keeps up not only with real world events in judicial politics and process but also with the scholarly literature on the subject, which is critical. It is accessible to undergraduate students without talking down to them." -- Mark S. Hurwitz

About the Author

Robert A. Carp is professor of political science at the University of Houston. He is coauthor of Policymaking and Politics in the Federal Courts; Politics and Judgment in Federal District Courts; the Federal Courts, fourth edition, with Ronald Stidham; and numerous articles on judicial process. Ronald Stidham is professor emeritus of Government and Justice Studies at Appalachian State University. He is coauthor of The Federal Courts, Fifth Edition, with Robert A. Carp and Kenneth L. Manning; The State Courts, with Robert A. Carp and Kenneth L. Manning; and numerous articles in legal, social science, and criminal justice journals. Kenneth L. Manning is professor of political science at the University of Massachusetts Dartmouth. He is coauthor with Robert A. Carp and Ronald Stidham of The Federal Courts (Fifth Edition) and The State Courts, and coeditor of Political Perspectives: Essays on Government and Politics. Manning's work on the politics of judicial decision-making and federal judicial selection have been published in a variety of journals.

Users Review

From reader reviews:

Justin Moore:
