**Language of the Third Reich: LTI: Lingua Tertii Imperii** By Victor Klemperer

Victor Klemperer (1881-1960) was Professor of French Literature at Dresden University. As a Jew, he was removed from his university post in 1935, only surviving thanks to his marriage to an Aryan.

First published in 1957, *The Language of the Third Reich* arose from Klemperer's conviction that the language of the Third Reich helped to create its culture. As Klemperer writes: 'It isn't only Nazi actions that have to vanish, but also the Nazi cast of mind, the typical Nazi way of thinking, and its breeding ground: the language of Nazism.'

This brilliant book is by turns entertaining and profound, saddening and horrifying. It is deservedly one of the great twentieth-century studies of language and its engagement with history.

Translated by Dr Martin Brady.

### Editorial Review

#### Review

“Klemperer's *The Language of the Third Reich* (or *LTI: Lingua Tertii Imperii*) is important but difficult to categorize. Originally published in German in 1957 and translated into English in 2000, *LTI* derives from notes the Jewish philologist and literature professor took before and during WW II, in which he signals and dissects Nazi language. This book is an honest narrative of hope and oppression, touching in places and well written, in an accessible translation. Summing Up: Recommended. Lower-division undergraduates through faculty; general readers.” *M. Aaij, Auburn Montgomery, CHOICE*

#### About the Author

Victor Klemperer, a front-line veteran of the First World War, became Professor of French Literature at Dresden University. He was taken from his university in 1935 because he was Jewish, and only survived because of his marriage to an Aryan.

### Users Review

#### From reader reviews:

##### Anthony Harrison:

Spent a free time to be fun activity to perform! A lot of people spent their down time with their family, or their own friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Can be reading a book can be option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to test look for book, may be the e-book untitled *Language of the Third Reich: LTI: Lingua Tertii Imperii* can be very good book to read. May be it might be best activity to you.

##### Peter Burnett:

The book *Language of the Third Reich: LTI: Lingua Tertii Imperii* has a lot info on it. So when you check out this book you can get a lot of profit. The book was written by the very famous author. Mcdougal makes some research prior to write this book. This kind of book very easy to read you may get the point easily after looking over this book.

##### Ella Oxley:

Exactly why? Because this *Language of the Third Reich: LTI: Lingua Tertii Imperii* is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning thoroughly. So

, it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the e-book store hurriedly.

**Wendy Hartnett:**
