### **Small Animal Dentistry, A manual of techniques** By Cedric Tutt

Dentistry is a relatively new and expanding area for vets. For many years it has been overlooked or inadequately taught at veterinary colleges, leaving students and vets with little or no training in this discipline. Now the interest in this area has increased and dentistry has become an important part of everyday veterinary practice. Designed to be a 'how-to-do' book, this practical manual guides the reader through all the routine dentistry procedures carried out in general practices. With over 350 colour pictures and special sections on practical tips and trouble-shooting, Small Animal Dentistry is an essential easy-access reference tool for veterinary students and veterinary practitioners alike

## **Editorial Review**

### Review

"This reference is current, often very comprehensive, and well ordered. The text is well written and the photos and diagrams are a highlight." (*Australian Veterinary Journal*, 2007)

"This book cannot fail to transform veterinary dentistry into a more interesting and exciting aspect of general practice. It will serve to inspire all veterinary surgeons - and, indeed, nurses - who read it, and encourage them to improve the treatment that they provide to dentistry patients." (*Veterinary Times*, 2007)

### From the Back Cover

Dentistry has now become an important part of everyday veterinary practice. *Small Animal Dentistry* provides the practical advice needed to carry out routine dentistry procedures in general practice. With over 400 colour pictures and special sections on practical tips and trouble-shooting, this practical manual is an essential easy-access reference tool.

- Designed as a 'how-to-do' book to ease you through all of the dental procedures carried out in practice.
- Colour pictures are used throughout for clarity and to aid navigation through the book.
- The combination of step-by-step descriptions and clear illustrations enable you to perform procedures with confidence.

*Small Animal Dentistry* is suitable for veterinary students and veterinary practitioners.

### About the Author

Cedric Tutt provides a veterinary dentistry and oro-facial surgery service (Cape Animal Dentistry Service) based at the Cape Animal Medical Centre in Cape Town, South Africa. He lectures on the topics of veterinary dentistry and oral surgery and has written numerous articles related to the subject.

## **Users Review**
