### Drywall: Professional Techniques for Great Results (Fine Homebuilding DVD Workshop) By Myron R. Ferguson

This revised version of *Drywall* gives readers information on new tools and materials and techniques that Myron has field-tested since the last revision in 2008. For the first time the book also includes a bound-in DVD with tips and techniques for hassle-free drywall installation. *Drywall, 4th Edition*, offers the very latest information with the familiar easy-to-use format that made the first three editions such great successes.

Learn how to:

- Choose the right drywall for the job
- Hang, tape, and finish drywall like the pros
- Work with the new cornerbead products
- Repair damaged walls and ceilings
- Prep drywall for paint and textured finishes

### **Editorial Review**

From Library Journal

Drywalling looks easy, but anyone who has tried it knows that it is physically demanding and that one needs a knowledge of many finishing touches and tricks-of-the-trade to ensure a good job. In this revision of a 1996 title, Ferguson, a drywall hanger with 20 years' experience, shares his hard-won knowledge with readers. The most commonly used drywall techniques are covered step by step, and there are additional sections on various types of drywall, tools, and decorative effects. A great deal of attention is paid to taping and sanding, which are the keys to an attractive job. Libraries owning the original edition should consider this update, as a number of new techniques and products have been developed. Recommended for all public libraries.

Copyright 2002 Reed Business Information, Inc.

### **About the Author**

Myron Ferguson has over 25 years experience hanging drywall. In addition to Drywall, and its companion video, he is the author of numerous articles written for trade journals including Fine Homebuilding magazine, Walls and Ceilings, and Tools of the Trade. He participated in the Journal of Light Construction's Live Construction Training Show as their drywall expert.

### **Users Review**

#### **From reader reviews:**

#### **Gary Ackley:**
