### **Much Obligated** By Jessica Benson

The Rita Award-winning author of *Lord Stanhope's Proposal* delights with this devilishly witty and wicked story of lust and longing, and punch-drunk love...

John Fitzwilliam and Addie Winstead were engaged to one another by their fathers, long before the pair had anything to say about the matter. Yet over the years, Addie has carried a torch for the seductive prizefighter, whose amorous escapades demanded she hide her feelings and her hopes and focus on earning an income for her household by secretly writing a popular boxing column in the *London Post*. Ever the professional, Addie must report in detail even her beloved's most embarrassing defeat. And despite himself—perhaps it was the knock he took the head, or more likely, an arrow to his heart—Fitz suddenly feels a delicious new longing for lovely Addie. But when a passionate kiss turns into scandal, will he be forced to defend Addie's honor in the ring? Worse, will Addie have no choice but to deny her greatest love in order to save him?
