My Secret War By Richard S. Drury

From an Amazon reader review: "I am an avid fan of flying and military history. Of the hundreds of books I have read on flying in the military, this is the best! My book is worn out from the many readings. Each and every time I read it, I become Drury as he experiences the sights, sounds and sensations of flying the Skyraider in Vietnam. I can almost smell the aviation fuel, feel the humidity, enjoy the completion of another mission along with him. After all, isn't this what we want from a good book? You won't be disappointed with "My Secret War!"
