## Orthodox Dogmatic Theology: The Experience of God, Vol. 1: Revelation and Knowledge of the Triune God By Dumitru Staniloae

'Staniloae seeks always to indicate the inner coherence of dogmatic truth and the significance of each dogma for the personal life of the Christian. It is the theologian's task to make manifest the link between dogma and personal spirituality, to show how every dogma responds to a deep need and longing in the human heart, and how it has practical consequences for society. Dogmas, he is convinced, do not enslave but liberate; theology is essentially freedom.' Kallistos Ware
