Editorial Review

From the Back Cover

Do you really know what the Bible is about?

Most people--even most Christians--do not have a basic working knowledge of the Bible. How can we understand the story of God--and our part in it--when we're not familiar with it? In *The God Who Is There*, D. A. Carson takes readers through the big story of Scripture to help Christians know what they believe and why they believe it. This companion leader's guide helps you make the best use of Carson's basic introduction to faith in group settings.

"We live in a time when people quickly reject or accept the Bible without even knowing its contents. Carson does a masterful job of explaining the Scriptures so that a person who has never even opened the Bible can understand it. At the same time, those who grew up under its teaching will find valuable and obvious truths that will lead them to greater worship and appreciation of the God we serve."--Francis Chan, author of *Crazy Love*

"A unique and important volume in many ways. As a ministry tool, it can be used for evangelism, since it so thoroughly lays out the doctrine of God. And yet it also does what the catechisms of the Reformation churches did: give Christians a grounding in basic biblical beliefs and behavior. By all means, get this book!"--Tim Keller, pastor of Redeemer Presbyterian Church, New York City

"What a wonderful resource! This book is a treasure for those who want to know what the Bible says as well as those of us who have read it, taught it, and lived it for years."--Crawford W. Loritts Jr., speaker, author, radio host, and senior pastor of Fellowship Bible Church, Roswell, GA

"Challenging yet respectful, thought-provoking yet accessible, faithful to the historic Christian faith yet relevant to our ever-changing world."--Randy Newman, staff member, Campus Crusade for Christ; author of *Questioning Evangelism* and *Corner Conversations*

D. A. Carson (PhD, University of Cambridge) is research professor of New Testament at Trinity Evangelical Divinity School. He is the author or editor of more than forty books and is one of the leaders of the Gospel Coalition.
