Bonded with Ezra (Love Unaccounted Book 3) By Love Belvin

“Trinity...”

He devised a specific road map of how they’d carry out their covenant—without input from her. She determined she needed to chart a new course in order to stay true to herself.

Perhaps Ezra has been wrong about his gift from above. Maybe Lex has bitten off more than she can chew. At this fork in the road will they continue their detour, or will they find middle ground and a covenant that keeps them bonded for life?

Disclaimer: This series is for mature audiences ONLY. There are three installments to the “Love Unaccounted” series. This installment is a full-length novel that contains profanity, erotica, acts of bondage, domination, and violence. If you do not like dark, racy romance between your pages this book is not for you.
