### Editorial Review

Review

Praise for *Beyond the Summerland*, Book 1

"L. B. Graham's vivid descriptions and believable characters quickly pull the reader into a world of friendship, love and betrayal. An unexpected twist at the end sets up the next book in the series, one that can't come soon enough." --*Christian Retailing*

"Powerful storytelling is no small accomplishment, and this alone lifts Graham head and shoulders above most of his competition. Graham's story has depth: substantial people with real problems and emotions, a tale of more than just dragons and wars. Those of us who are intrigued to see how Graham will answer his own question—about a world of warriors populating the peace they fought for—are already looking forward to the next volume in the series." --*Books and Culture*
