Claimed by the Viking Warriors By Lily Reynard

When Eadyth, a high-born Saxon maiden, inherits her father's prosperous estate, her villainous uncle's matrimonial schemes force her to take refuge in an abbey. But then her sanctuary is overrun by Viking raiders, and innocent Eadyth finds herself captive to two fierce Norse chieftains, each of them a mouth-watering specimen of handsome, virile masculinity.

Blond, earnest Hjalmar and hot, dark, bad-boy Leif are brothers in search of a new home after being unfairly banned from their own country. They've always shared everything -- including women. When they learn that their beautiful prisoner is an heiress, Eadyth's captivity becomes an exercise in seduction, with the brothers competing for her hand in marriage.

The Viking pair's amorous abilities are more than equal to their skill as warriors. As each seeks to outdo his brother in pleasuring their prospective bride, the inexperienced Eadyth soon learns that while having one superb lover is wonderful, having two of them--at the same time--provides sensual delights far beyond anything she might have imagined.

Now that she knows what she'd be missing, turning away either one of her ardent suitors seems a tragedy. But her uncle has not given up his plans to seize her property, and settling down with one of the brothers is the only way for Eadyth to regain her lands and protect her people. Can she find a solution that will preserve her estate -- and satisfy her would-be husbands?

This smoking-hot M/F/M historical romance is a standalone work (no cliffhangers) intended for mature readers.

- *Claimed by the Barbarian Princes* (Skatha Chronicles 2)
- *Loved by the Barbarian Princes* (Skatha Chronicles 3)
- *Bride of the Barbarian Princes* (Boxed Set)

Standalone Novels:

- *Claimed by the Viking Warriors*

Users Review

From reader reviews:

Cortney Roller:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this Claimed by the Viking Warriors.

Donna Nichols:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family members or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you want to try to find a new activity here is look different you can read a book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day long to reading a book. The book Claimed by the Viking Warriors it is extremely good to read. There are a

lot of individuals who recommended this book. They were enjoying reading this book. Should you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore simply to read this book from your smart phone. The price is not to fund but this book possesses high quality.

Kyra Franson:

This Claimed by the Viking Warriors is great reserve for you because the content which is full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it details accurately using great organize word or we can claim no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Claimed by the Viking Warriors in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. occupied do you still doubt that will?

Tommy Worm:

The book untitled Claimed by the Viking Warriors contain a lot of information on it. The writer explains your ex idea with easy way. The language is very easy to understand all the people, so do not necessarily worry, you can easy to read the item. The book was published by famous author. The author will take you in the new time of literary works. You can easily read this book because you can keep reading your smart phone, or device, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can wide open their official web-site and also order it. Have a nice read.
