Drool Baby: A Dog Park Mystery (Lia Anderson Dog Park Mysteries Book 2) By C. A. Newsome

Who do you trust when everything you believe is wrong?

Artist Lia Anderson survived the murder of her boyfriend and betrayal by a friend, emerging from trauma with a hunky new beau, an exciting commission, and a straight-talking therapist to help her sort everything out. Then a disturbing message raises questions about Luthor's death.

Detective Peter Dourson launches a clandestine investigation into the closed case while Lia struggles to accept that her world is still not safe. Neither of them realize digging for the truth will place Lia in the crosshairs of a killer increasingly out of control.

Editorial Review

Review

"A quirky tale of pets and their owners, art, and intrigue DROOL BABY is a satisfying and engaging mystery set against a unique backdrop."

"The strength of DROOL BABY lies in the rag tag group of dog park regulars that the author creates. The in-depth character development happens quite naturally both as a circumstance of lots of park socializing scenes as well as the main character's attempts to get to the root of her former friend's murderous behavior. While the sheer amount of characters is a bit overwhelming at the beginning, their ties to their dogs as well as the unique facets of their personalities make each person, or suspect, equally compelling. ... A quirky tale of pets and their owners, art, and intrigue **DROOL BABY** is a satisfying and engaging mystery set against a unique backdrop."
