Forbidden Beauty (Coffin Cheaters Motorcycle Club) By Abriella Blake

Gisele Owen grew up in a biker compound—it's as bad as it sounds. With her mother out of the picture, she and her twin sister were raised by their father and the rough men of the Coffin Cheaters MC. Everything changes when her father is murdered in cold blood, and her sister runs off with a rock band to be their number one groupie...And Gisele is left utterly alone.

When she's pulled over to the side of the highway by a mysterious biker Carter Knox, she realizes the devilishly handsome stranger just saved her life. She offers to buy him a drink, hoping to get to know him a little better...

What she doesn't realize is that Carter Knox is forbidden, he's the enemy, a member of the motorcycle club that blew her father's head off while he slept. The world comes crashing down around her as the truth unfolds and her club realizes she's in bed with the enemy.

This contemporary biker romance contains graphic sexual content, violence, and strong language. It is intended for mature readers.
