Jason and Keanne By Marian Tee

Jason Christakos is a Greek god, a billionaire, but more than that he's beautiful inside, someone who loves so fiercely and selflessly without expecting anything in return. Jason is the man who saved me from self-destruction, the man who knows all my secrets, and now the man whose broken heart I ache to heal. Jason does not see me as a woman, does not believe I can truly love him, and does not think he is capable of loving any other woman than the one he lost to his brother. In an all-out bid to win his love, I accept Jason's challenge. For him to give me a chance to own his heart, he demands that I do everything he wants, and what he wants is for me to realize that someone out there is better for me. Too late I realize that Jason also thinks someone out there is better for him – but it is not me...and it might never be me.
