MILF Cooking With the Younger Man By Cecilia Lawrence

Helen was dealing with the problems in her life. If by dealing you meant drinking wine and trying not to think about it, and by problems you mean wanting a child of your own while your husband a mafia boss isn't interested. Faced with the prospect of death or danger if she strayed, it's only when the *younger man of the house* becomes involved that Helen's *unprotected* life begins to take a happy turn.

This story involves cooking, it has all the right ingredients. Unfortunately I'm not allowed to reveal some of those ingredients which definitely aren't chemical, but do make sure to use the *look inside* feature to see just how steamy (Not chemical!) this story gets (insert charismatic wink for emphasis).
