## Synagogue Rising By Hugh Akins

A Catholic (Magisterial) worldview of anti-Christian Judaism and Counterrevolutionary Resistance. Rips the mask off the Masterplan of the Elders of Zion - difficult to believe, but fatal to ignore. This book praised by clergy and laity on 4 continents as the heavy artillery of the Church Militant in her age-old struggle with Talmudic Jewry. Zionism and the modern apostasy; Israel behind the 9/11 terror attacks; the phony War on Terror; the historic authenticity of the Protocols of Zion; the Holocaust as cover for the deadliest assault ever waged against Christ the King; Homeland Security and American Totalitarianism; forging a united front of militant Catholic Action unto the demolishing of enemy strongholds - and lots more. There's nothing anti-Semitic about this book. It's an act of charity and a work of mercy to expose the Judaism of fanatical Christ-hatred and to help liberate the Jewish people from the cruel and deadly Tyranny of Rabbinic Zionism. BISHOP RICHARD WILLIAMSON "Synagogue Rising is a solid book with much detail and much documentation on the problem with the Synagogue and its rise in modern times, by Hugh Akins. It's definitely a book to be recommended." ROBERT BURNS By Robert Burns "One need not agree with everything the author of this well-researched, well footnoted, compendium states. Yet, Hugh Akins has amassed an enormous amount of factual truths towards his thesis that two "Judaisms" exist-- one that is Old Testament based, and the other Talmudic, and non-Godly."
