Cat Scratch Fever By Sophie Mouette

What development coordinator Felicia DuBois at the Southern California Cat Sanctuary needs: Sex with something other than her vibrator. Gender and number of participants optional. What Felicia doesn't need: Someone sabotaging the make-or-break benefit that could mean the future of the sanctuary. She especially doesn't need ultra-sexy Gabe Sullivan from the Zoological Association sniffing around, wielding the authority to close the cash-strapped exotic cat breeding facility. But damn his smoking hotness! Felicia's in a race against time to find both sexual fulfillment and the saboteur before the Sanctuary's future becomes as endangered as the felines it houses.

Editorial Review

About the Author

Author of the 4-star (Romantic Times) novel *Cat Scratch Fever* and many short stories, Sophie Mouette is the brainchild of two widely published authors of erotica, romance, and speculative fiction. The two halves of Sophie—Dayle A. Dermatis (aka Andrea Dale) and Teresa Noelle Roberts—met more than decade ago at a writers' conference. Talking nonstop, they closed down the hotel bar and went somewhere else to keep on talking. Although they've always lived on opposite sides of the country (and for a few years, on opposite sides of the Atlantic), they've remained very close friends, and it was only natural that they should start writing together as well.
