Homicide: A Year on the Killing Streets By David Simon

From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit television show

The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world.

David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl.

Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition, which includes a new introduction, an afterword, and photographs, revives this classic, riveting tale about the men who work on the dark side of the American experience.

Editorial Review

Amazon.com Review

This 1992 Edgar Award winner for best fact crime is nothing short of a classic. David Simon, a police reporter for the *Baltimore Sun*, spent the year 1988 with three homicide squads, accompanying them through all the grim and grisly moments of their work--from first telephone call to final piece of paperwork. The picture that emerges through a masterful accumulation of details is that homicide detectives are a rare breed who seem to thrive on coffee, cigarettes, and persistence, through an endlessly exhausting parade of murder scenes. As the *Washington Post* writes, "We seem to have an insatiable appetite for police stories.... David Simon's entry is far and away the best, the most readable, the most reliable and relentless of them all.... An eye for the scenes of slaughter and pursuit and an ear for the cadences of cop talk, both business and banter, lend Simon's account the fascination that truth often has."

From Publishers Weekly

Baltimore Sun reporter Simon spent a year tracking the homicide unit of his city's police, following the officers from crime scenes to interrogations to hospital emergency rooms. With empathy, psychological nuance, racy verbatim dialogue and razor-sharp prose, he offers a rare insider's look at the detective's tension-wracked world. Presiding over a score of sleuths is commander Gary D'Addario, "connoisseur of survival" who grapples with political intrigue, massive red tape and "red balls" (major, difficult cases). His detectives include Tom Pelligrini, obsessed with solving the rape-murder of an 11-year-old girl; Rich Garvey, whose "perfect year" is upset by a murder case that collapses in court; and black, cosmopolitan Harry Edgerton, a lone wolf, son of a jazz pianist. This hectic daily log reveals the detective's beat on Baltimore's mean streets (234 murders in 1988) to be brutal, bureaucratic and, occasionally, mundane. Copyright 1991 Reed Business Information, Inc.

From Library Journal

The city of Baltimore saw 234 murders in 1988. Allowed unlimited access to a shift of the city's homicide unit, police reporter Simon chronicles that year. The sociopaths, the crackheads, and their crimes are horrifying, but equal horrors are found in the attitudes of jurors in a case of the shooting and blinding of a policeman and in statistics showing the ultimate legal fates of those apprehended by the unit. Immersing his readers in cases, procedures, politics, and the detectives' personalities, Simon risks being sabotaged by the sheer scope of his account. Still, for those with strong stomachs and the willingness to work to keep the characters and dramas straight, he has produced a riveting slice of urban life. Recommended.

From reader reviews:

Charles Dame:

In this 21st hundred years, people become competitive in most way. By being competitive currently, people have do something to make them survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that often many people have underestimated the item for a while is reading. Yes, by reading a e-book your ability to survive improve then having chance to stand than other is high. For you personally who want to start reading a new book, we give you this kind of Homicide: A Year on the

Killing Streets book as basic and daily reading e-book. Why, because this book is usually more than just a book.

Joseph Vargas:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one having theme for entertaining including comic or novel. Often the Homicide: A Year on the Killing Streets is kind of e-book which is giving the reader capricious experience.

Jack Caldwell:

A lot of people always spent their free time to vacation or perhaps go to the outside with them household or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book that you simply read you can spent all day every day to reading a guide. The book Homicide: A Year on the Killing Streets it is very good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. In case you did not have enough space to develop this book you can buy the particular e-book. You can m0ore easily to read this book from your smart phone. The price is not too expensive but this book provides high quality.

Darlene Heckart:

Playing with family within a park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Homicide: A Year on the Killing Streets, you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.
