MILF Don't Tell By Cecilia Lawrence

Angela had been a good wife, but everything changed when her dreams started focusing on someone other than her husband. Suddenly, she found herself *unsatisfied* and slowly drawn into a *taboo* and *unprotected* relationship with the *younger man of the house*. Now her entire life has changed, but for the better or the worse?

This story is a steamy ride, not unlike a train, it's also a steamy read, so steamy that as has appeared in my other jokes, it's simply beyond my ability to fairly describe so use the *look inside* feature to check it out!

P.S This is not a valid ticket for a steam train.
