When Luca Cassano took a position as bodyguard to the sister of a Miami kingpin, he expected nothing more than sun, surf, and a job he could do in his sleep.

Then he met Isabel Fuentes.

Luca didn't enjoy keeping Isabel under her brother's thumb even before he fell in love with her. Now she's captivated him body and soul, and he'll do anything to save her.

Isabel is determined to get her little sister away from their brother Diego's mercurial temper and violent outbursts. There's just one problem; Diego has a horrifying trump card that will ruin any chance for them to have a normal life — and that's if they can get out alive.

As Diego becomes increasingly unpredictable, Luca and Isabel know time is running out. But when their list of options is revealed to be painfully small, they develop a plan that will finally free Isabel -- or put her in more danger than ever before.
