When Jesus Came, the Corn Mothers Went Away: Marriage, Sexuality, and Power in New Mexico, 1500-1846 By Ramon A. Gutierrez

This social history of one remote corner of Spain's colonial American empire uses marriage as a window into intimate social relations, examining the Spanish conquest of America and its impact on a group of indigenous peoples, the Pueblo Indians, seen in large part from their point of view.

Editorial Review

Review

'A hypnotizing study of the encounter between Indians and Europeans in New Mexico and of the formation of a colonial society, When Jesus Came is not 'lite' history. It is as theoretically sophisticated and as thoroughly researched as academic history gets. Gutierrez's work is proof that historians can have it both ways, meeting scholarly standards while also offering stories and ideas to capture the interests of a wider audience.' Patricia Nelson Limerick, The New York Times Book Review
