BETTER RUN By KAT MILLER PANOS

Andie King is a rising star at a well-funded San Francisco start-up. She's bright, attractive, and to the dismay of some of her co-workers, female. When Andie uncovers the true goals of her firm's founders – to use their cutting-edge trading technology to manipulate the markets for their own political gains – she raises the alarm. It's the right thing to do, except it isn't, not when one of the most powerful men on the planet has a vested interest in the scheme's success.

Andie's new enemy, far more motivated and resourceful than the local authorities, wages a sudden and vicious attack. Stunned and beaten, she can only watch helplessly as her meticulously cultivated life crumbles around her. Things look bleak until a mysterious ally appears with a possible solution.

Desperate for redemption, our regular Jane joins up with a decidedly irregular band of compatriots, discovering people and places she never would have believed existed, as well as untapped strengths within herself and a new chance at love. As the stakes get raised again and again, Andie and her team go all-in, risking everything to beat a diabolical villain at his own game.

But against an opponent like this one, will their everything be even close to enough?

About the Author

Kat Miller Panos grew up near Flint, Michigan (you've been there, right? Autoworld? Abandoned Buick factory tour? No? Hm.). Anyway, she got her business degree from Michigan State University and left Flint's brownfields for greener pastures. Kat now lives near Berkeley, California, with her husband and two young sons. Before she was a novelist, in case you're still reading this and really want to know, Kat spent over fifteen years working for the Man (and the occasional Wo-Man), in the consulting, software development and financial services industries. She left a well-paying, super-duper-important management gig in 2010 to spend more time with her family and write (which, so far, is not as well-paying but much more satisfying). In her spare time, Kat is passionate about equal rights, furry animals, and finding every possible way to wear pajamas all day and get away with it. Please buy all of her books, every single one. Thanks.
