Editorial Review

About the Author

An Accidental Writer ~ Writing was a tool, not a toy, until a stay in a haunted hotel and a bookcase full of dog-eared romances. Hooked, she read old romances, new romances, both sexy and sweet, until her own tales begged to be written. Living in Florida, Becca divides her time between dreaming up stories, diving deep into history, kayaking, and swimming. Her husband gives her the space she needs by fishing in the mangroves and waterways, or watching football (the English sort) with his British buddies. Becca and her hubby break the routine with adventure travel; though, at heart, Becca is a homebody believing there is no greater playground than inside the mind.
