Strife (Student Editions) By John Galsworthy

John Galsworthy (1867-1933), novelist and dramatist, is most widely known as the author of *The Forsyte Saga*, but recent productions testify to the power that his plays still exert over modern audiences and the strength and relevance of the issues he raise

Strife charts the progress of an industrial strike, seen from both the workers' and directors' points of view as well as the directors and looks at the relationship between wives across the class divide as they attempt to persuade their obdurate husbands to broker a deal.

Editorial Review

About the Author

John Galsworthy was a Nobel-Prize (1932) winning English dramatist, novelist, and poet born to an upper-middle class family in Surrey, England. He attended Harrow and trained as a barrister at New College, Oxford. Although called to the bar in 1890, rather than practise law, Galsworthy travelled extensively and began to write.

It was as a playwright Galsworthy had his first success. His plays like his most famous work, the series of novels comprising *The Forsyte Saga* dealt primarily with class and the social issues of the day, and he was especially harsh on the class from which he himself came.

Users Review

From reader reviews:

Sherry Clark:

Typically the book *Strife (Student Editions)* has a lot of details on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. Tom makes some research before writing this book. This specific book is very easy to read; you may get the point easily after looking over this book.

Robert Mayo:

Your reading sixth sense will not betray you, why because this *Strife (Student Editions)* guide written by well-known writer we are excited for well how to make a book that could be understood by anyone who reads the book. Written throughout in good manner for you, leaving every idea and writing skill only for eliminating your own personal hunger then you still doubt *Strife (Student Editions)* as a good book not just by the cover but also with the content. This is one book that can break don't ascertain a book by its cover, so do you still need another sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listen to one more sixth sense.

Ira Atwood:

This *Strife (Student Editions)* is a great guide for you because the content which is full of information for you who else always deal with the world and also have to make a decision every minute. That book reveals its info accurately using great arranged words or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having *Strife (Student Editions)* in your hand like having the world in your arm, details in it is not ridiculous a single. We can say that no publication that offers you the world with ten or fifteen tiny rights but this reserve already does that. So, it is a good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Carol Ramirez:

As we know that book is very important thing to add our knowledge for everything. By a publication we can know everything we would like. A book is a set of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This guide Strife (Student Editions) was filled concerning science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading a new book. If you know how big advantage of a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get book that you wanted.
