John Hicks:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As
