Sometimes the Truth Comes with a Price

Nikki knew Damon Vessler would not let his prized creation go easily—she simply never imagined the lengths he’d go to get her back into his clutches, and turn Nikki’s heart toward darkness.

A Seeker at her heels, trained on her blood, Nikki flees with Raven alongside her for protection, while Mace and the other Halflings fight the battle that has erupted on earth. But even as the two boys she loves fight for her, she knows the battle will be hers to win. Determined to uncover the secrets of her past, and exactly how she fits into Vessler’s twisted plans, Nikki sets off on her own, and soon discovers facing hellacious beasts is nothing compared to the decision she will need to make. One that could change not only the war, and her relationship with Mace and Raven, but her future with the Throne.

Editorial Review

From [Booklist](#)

Nikki Youngblood is struggling with her newfound identity as a Halfling, searching her past in order to discover her path through to the future. Even as she learns to control and use her powers, she still balances on the edge between faith and nonbelief. In this latest installment of the Halflings series, the perspective on a world where half-angel/half-human outcasts fight battles against evil widens. Although Nikki is still at the center of the story, more Halflings, as well as the higher powers watching their daily struggles, are introduced and fleshed out, and once again the ending is wide open for further sequels.
