**Best Practice in the Early Years (Professional Development)** By Alistair Bryce-Clegg

This book contains lots of easy-to-introduce activities and techniques that will move your practice towards that outstanding level! Not just when being observed, but all the time. The author, Alistair Bryce-Clegg is known for his original and creative ideas and witty and accessible writing style, and this book does not disappoint! It is filled with brilliant ideas covering everything you need to know as an early years practitioner, including advice for planning sessions, setting up an outstanding environment and encouraging outdoor learning activities. There is also a big focus on child-led learning and help and advice for working with parents.

This book is a must for all early years practitioners and early years school teachers eager to ensure their practice is the best it can be for all of the children in their care.

### **Editorial Review**

#### About the Author

Alistair was head teacher of a very successful three-form entry infant school and Early Years Unit for 10 years. Alongside his headship he worked an EYFS consultant working with a diverse range of settings to help them to enhance their EYFS practice. In 2009 Alistair left headship and went into full time consultancy. He is now the proud owner of ABC Does. Alistair's experience and expertise has meant that he has been invited to work with individuals, settings and Local Authorities both Nationally and Internationally. He has written on the subject of EYFS for a wide variety of publications. Alistair's work with settings is based on leading by example and not just 'telling'. In September 2010 he set up a blog where he posts examples of the work that he does alongside activity ideas, planning formats and policies. The blog is constantly updated with new ideas and initiatives. You can find out more at: [abcdoes.com](http://abcdoes.com)

### **Users Review**

#### **From reader reviews:**

##### **Jamie Hernandez:**
