## Exam Prep: Hazardous Materials Awareness & Operations, Fifth Edition

By Performance Training Systems Inc Dr. Ben A. Hirst

The Fifth Edition is the most current Hazardous Materials Awareness & Operations exam prep book written by Dr. Ben Hirst, it is designed to thoroughly prepare you for a Hazardous Materials certification, promotion, or training examination by including the same type of multiple-choice questions on the actual exam. By completing the practice questions in this manual, you will be able to identify weak areas you may have, allowing you to adjust accordingly. The manual follows the Systematic Approach to Examination Preparation (SAEP®) to help improve exam scores, this system was developed by Dr. Ben Hirst, President of Performance Training Systems. The practice examinations were written by fire and emergency services personnel and the content was validated through current reference materials and technical review committees. The book is divided into sections, question and answer sheets/with reference where to find the study guide to improve. Your exam performance will improve after using this system. We offer 1 free test valued \$39 per completion of the registration page. Every book sold \$1.50 is donated to the National Fallen Firefighter Foundation.
