### Editorial Review

From Publishers Weekly

A Regency-set historical romance, Busbee's latest follows *Gypsy Lady* and *Love Be Mine*. Though graced by two charming protagonists, widowed Lady Sophy Marlowe and Viscount Ives Harrington (lately arrived from the Peninsular Wars), this romance-cum-spy-mystery sags badly in the middle and is barely redeemed at the last minute by a breathtaking land-and-sea chase. Sophy, who had been victimized by a brutal husband, has no desire to ever marry again. Ives, looking for a wife to bear him an heir (his entire family was murdered by a spy for Napoleon), doesn't expect to fall in love. Sophy, however, agrees to marriage when, as a suspect, she needs an alibi for a murder investigation. This is an unpromising start for a good relationship, but these passionate lovers have what it takes. Unfortunately, only the most patient of readers will persevere in sorting out the multitude of would-be villains in this uneven story. (May)

"BUSBEE DELIVERS WHAT YOU READ A ROMANCE FOR". -- West Coast Review of Books

From the Back Cover

Tempestuous young widow Sophy Marlowe vowed she would never wed again...except for love. Proud, brooding Viscount Ives Harrington swore he would never shed his bachelor ways...except for revenge. Then Ives chose to save the fearless Sophy from a sure, swift march to the gallows -- for the price of her hand in marriage. Suddenly, England's most mismatched pair, united in cold calculation, find themselves whirled together by winds of war and intrigue...where a mere glancing touch, a dangerously impetuous kiss, a single night of scorching abandon, will lay bare a breathless truth that neither dares deny....
