### Invest with the House By Mr Meb Faber

Picking stocks is hard—and competitive. The most talented investors in the world play this game, and if you try to compete against them, it's like playing against the house in a casino. Luck can be your friend for a while, but eventually the house wins. But what if you could lay down your bets with the house instead of against it? In the stock market, the most successful large investors—particularly hedge fund managers—represent the house. These managers like to refer to their top investments as their “best ideas.” In this book, you will learn how to farm the best ideas of the world’s top hedge fund managers. You will learn who they are, how to track their funds and stock picks, and how to use that information to help guide your own portfolio. In essence, you will learn how to play more like the house in a casino and less like the sucker relying on dumb luck.
