**Luke (Paideia: Commentaries on the New Testament)** By Mikeal C. Parsons

Mikeal Parsons, a leading scholar on Luke and Acts, examines cultural context and theological meaning in Luke in this addition to the well-received Paideia series. This commentary, like each in the projected eighteen-volume series, proceeds by sense units rather than word-by-word or verse-by-verse. Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs, showing how the text shapes theological convictions and moral habits, and making judicious use of maps, photos, and sidebars in a reader-friendly format.
