MRCEM Part A: All-in-One Notes (2nd Edition) By Moussa Issa

Today on the market, there is no book systematically covering many details of the exam like this “ALL-IN-ONE NOTES” book does. Surprisingly, the entire 50 questions of June 2016 exam were clearly detailed in this book. The MRCEM PART A is still a new exam and many candidates fail to pass simply by not understanding the concept of the exam and also (most importantly) because of a lack of trusted materials for many years. This book had gone through serial of major updates to closely match the College knowledge requirements. A correct usage of these compiled notes and a good practice of some included exam questions will certainly place your name in the passing box. ON TOP OF THE CURRICULUM, YOU WILL ALSO FIND THOUSANDS OF PAST EXAM PAPERS WITH ANSWERS...THIS IS A TRUE "ALL-IN-ONE" BOOK. GOOD LUCK THEN PROSPECTIVE CANDIDATES!!!
