State and Local Politics By David Berman

Politics at the state and local level has never been more interesting than in our "devolutionary" age. This popular text is the most concise, readable, and current introduction to the field. Now in its ninth edition, the book keeps its focus on the varied and changing political and economic environments in which state and local governments function, and their strengths and weaknesses in key areas of public policy. The text is enlivened by boxed sections that relate individual experiences or highlight particular issues and developments. Topics covered in this edition include the drive toward devolution in the federal system; fiscal constraints; political accountability; affirmative action; majority-minority districts; and changing approaches to welfare, education, land use, and law enforcement.

Editorial Review

From the Back Cover

In our "devolutionary" era, politics at the state and local levels is more interesting than ever. This popular text is the most concise, readable, and current introduction to the field. Now in its ninth edition, the book keeps its focus on the varied and changing political and economic environments in which state and local governments function and their strengths and weaknesses in key areas of public policy.

The text is enlivened throughout by boxed sections that relate individual experiences or highlight particular issues and interesting developments. Topics covered in this edition include changing patterns of devolution and centralization in American federalism; taxation and budgeting; new approaches to welfare, education, land use, and waste management; and such "hot" issues as tort reform and the death penalty.

Users Review

From reader reviews:

Calvin Fischer:

In this 21st one hundred year, people become competitive in each way. By being competitive today, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yeah, by reading a reserve your ability to survive enhance then having chance to stand up than other is high. For you who want to start reading any book, we give you this State and Local Politics book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

Mary Kasten:

This State and Local Politics is great book for you because the content which is full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it details accurately using great organize word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with beautiful delivering sentences. Having State and Local Politics in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen small right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt which?

Randy Acevedo:

In this period of time globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. The particular book that recommended to your account is State and Local Politics this e-book consist a lot of the information on the

condition of this world now. This particular book was represented just how can the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The actual writer made some investigation when he makes this book. Here is why this book suited all of you.
