Editorial Review

Review

From the reviews:

“This balanced compilation of motivational strategies and affirmations also provides the skills necessary for academic success... Its conversational style is designed to speak directly to students... Jensen uses a variety of visual devices such a bulleted lists and subheadings to make the text more accessible... This book will meet the needs of those who want a practical and informative study skills guide... the majority of the material will work well from middle school through high school.”

—VOYA, December 2003
