Temples of Ancient Egypt From Brand: Cornell University Press

In *Temples of Ancient Egypt*, five distinguished scholars—Dieter Arnold, Lanny Bell, Ragnhild Bjerre Finnestad, Gerhard Haeny, and Byron E. Shafer—here summarize the state of current knowledge about ancient Egyptian temples and the rituals associated with their use. The first volume in English to survey the major types of Egyptian temples from the Old Kingdom to the Roman period, it offers a unique perspective on ritual and its cultural significance. The authors perceive temples as loci for the creative interplay of sacred space and sacred time. They regard as unacceptable the traditional division of the temples into the categories of "mortuary" and "divine," believing that their functions and symbolic representations were, at once, too varied and too intertwined.

Editorial Review

Review

"Perceptive interpretations and refreshing new evaluations are the hallmarks of Temples of Ancient Egypt. This book should be essential reading for anyone eager to study current views on Egyptian religion."?Egyptian Archaeology

"If one cares about ancient Egyptian culture or if one is studying architecture, religion, or language, Temples of Ancient Egypt will be interesting."?Choice

"This is an exciting book to read. The contributors are all scholars who have reached the peak of their interpretive and analytical powers; who know their material very well, and at first hand; and who have interesting, sometimes rather novel, ideas to communicate. Shafer's introductory essay is well researched and useful. Temples of Ancient Egypt is a valuable and important book."?David O'Connor, New York University

Users Review

From reader reviews:

Frances Williamson:

Book is usually written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently. A reserve Temples of Ancient Egypt will make you to become smarter. You can feel much more confidence if you can know about anything. But some of you think that open or reading the book make you bored. It is not make you fun. Why they are often thought like that? Have you searching for best book or ideal book with you?

Randy Hunter:

The book Temples of Ancient Egypt can give more knowledge and information about everything you want. Why then must we leave the great thing like a book Temples of Ancient Egypt? A number of you have a different opinion about publication. But one aim in which book can give many information for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or facts that you take for that, you may give for each other; you could share all of these. Book Temples of Ancient Egypt has simple shape however, you know: it has great and big function for you. You can seem the enormous world by available and read a publication. So it is very wonderful.

Bobbie Burke:

In this time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The actual book that

recommended to you personally is Temples of Ancient Egypt this guide consist a lot of the information with the condition of this world now. This particular book was represented how does the world has grown up. The terminology styles that writer require to explain it is easy to understand. Often the writer made some investigation when he makes this book. That is why this book suited all of you.
